

## Passionate Staff

Our staff is comprised of current college players, former college coaches, recent college players and dedicated high school coaches who aspire to teach the game one player at a time. Our staff is eager to share the strategies and tactics that have led to their success. Our goal is to have you leave the camp better than when you arrived!

### THE HISTORY OF PREMIER PLAYERS

With over 30 camps under our belt across the state of Texas, PPLC is the longest running camp in the state. Our camps have hosted over 4,300 boys since the 90's, and we have watched lacrosse take off in the Lone Star State. With a focus on the latest drills delivered in an exciting and high tempo manner, PPLC offers a fun, informative and engaging learning atmosphere that insures that your son will leave camp with new skills as well as a deeper love for the game of lacrosse.

Over the years we have moved away from luring the latest lax 'celebrities' to work our camps. After years of doing this we decided that we wanted to combine the coaching lessons of our youth on Long Island delivered thru our former college and HS teammates and combine that with the top coaches in the Houston area.

We would also like to invite all Houston area Youth and Middle School coaches to come by and observe camp so they can pick up new drills and skills as well. We feel this new format allows us to connect to the players as well as the coaches who 365/24/7 are driving the growth in Houston .

Thank you for your support of Premier Players!

Jeff Goldberg

## Daily Schedule Includes

- Stick Skill Development / Fundamentals
- Individual Position Instruction and Specialty Work
- Small Sided Drills
- One Hour for Lunch
- Transition Play and 2/3 man games
- Full Field Team Games
- Wrap Up / Summary and Awards

## PPLC Philosophy

Each Camper will:

1. Improve their game through repetition, innovative drills and games designed to increase your position skills as a player.
2. Be exposed to current NCAA/MLL Players, Former NCAA Players, and The best Coaches in Houston, who will break down your position to the "little things" that will elevate your performance
3. Receive individual instruction in the areas of shooting, checking, saving, stick handling and dodging.
4. Be exposed to coaches who can offer you guidance and help prepare you for your Middle School and High School seasons or a college lacrosse career.
