3. Receive individual instruction in the areas of shooting, checking, saving, stick handling and dodging.
4. Be exposed to coaches who can offer you guidance and help prepare you for your Middle School and High School seasons or a college lacrosse career.

What we will teach!

- *Improve skills through repetition*
- *Innovative drills designed to maximize participation and skill development*
- *Individual instruction in areas of throwing, catching, shooting, stickhandling and dodging*

Our Goal:

We strive to provide young lacrosse players with an exceptional and fun experience; one that will better their game.
